SARI

THE BEAUTIFULLY SHAPED ONE

SARI captivates with its elegant and sleek form. The characteristic armrest, when in its wider configuration, appears artistically folded and invites you to sit back and relax. Optionally integrated headrests remain discreetly concealed, yet once unfolded, they offer exceptional comfort.

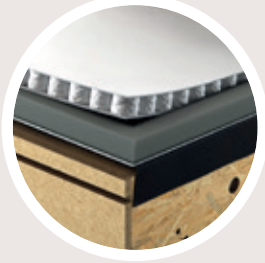
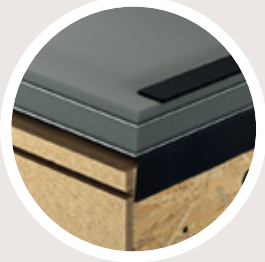
UNIQUE SEAT STRUCTURE

A rom1961 sofa is a long-term investment in quality and comfort. We use high-quality materials, incorporate innovative technology, and provide you with a sofa that remains beautiful and offers premium comfort even after years of use.

WAVE SPRINGS
Also called nosag springs. Made of hardened steel wire: guarantee for stability and durability.



POCKET SPRING CORE
Durably elastic and exceptionally stable.



EDGE INTENSIFIER
That special feature! Seat edge reinforcement PERMAFORM for lasting form stability.

QUALITY FOAMS
Complete the seating comfort perfectly.

PERMATEX
Support for leather covers minimises ripples.

HIGH-QUALITY POCKET-SPRINGS

The secret to heavenly seating and lounging comfort at rom1961 lies in our innovative pocket-spring padding.

Choose between the softer DYNASPRING or the firmer BOXSPRING+ option and indulge in rom1961's unique seating experience. High-quality pocket springs, combined with 55 kg/m³ quality foams, provide enduring stability and consistent softness or firmness.

Revel in pure comfort that transforms every moment on the sofa into an unforgettable experience.

Boxspring+

The firmer choice for a pleasantly stabilizing seating and lounging comfort. The optimal interplay of firm Bioflex foam and high-tech pocket springs made of 1.8 mm thick wire ensures a comfortably stabilizing padding.

dynaspring

The softer alternative for an incomparably comfortable seating experience. With the combination of high-tech pocket springs made of 1.6 mm thick wire and a softer quality foam, Dynaspring offers a pleasantly soft yet stable padding that gently envelops the body.

TESTED AND CERTIFIED QUALITY

Our products meet **strict quality, environmental, and emission standards**, awarded with the german industrial labels „Das Goldene M“ and “Emissionsklasse A“.

We hold ourselves to **high standards of durability**, stability, and manufacturing quality, just as we prioritize your seating comfort.

All materials and products undergo extensive internal testing, allowing us to confidently offer a **5-year warranty**.

Lastly, with our **10-year availability guarantee** for repair and spare parts, we actively contribute to sustainability, ensuring that your rom1961 sofa will accompany you for many years to come.

HIGH-QUALITY FABRICS AND FINE LEATHER
